Workforce - Transition

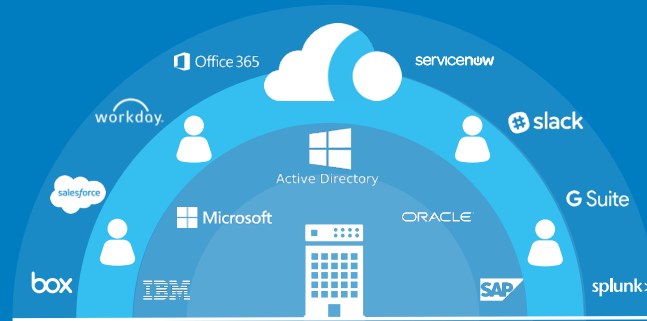

Workforce Identity

YESTERDAY

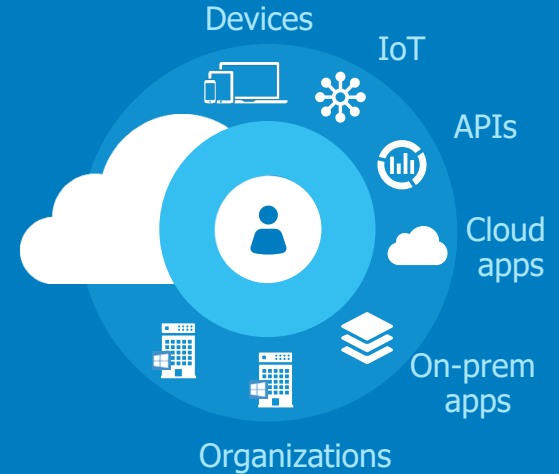

Identity was part
of a stack

TODAY

Identity as an independent
and neutral platform

TOMORROW

Okta as the
universal platform

Identity is the new perimeter

A new
approach
to identity

A white icon of a padlock with a keyhole and a circuit-like structure to its right, representing Single Sign-On.

Single Sign-On

A white icon of a shield with a fingerprint, representing Adaptive Multi-Factor Authentication (MFA).

Adaptive MFA

A white icon of a central node connected to several other nodes, representing API Access Management.

API Access Management

A white icon of a globe with a circuit-like structure, representing Universal Directory.

Universal Directory

A white icon of a person silhouette with a circular arrow around it, representing Lifecycle Management.

Lifecycle Management

A white icon of three server racks with a checkmark, representing Advanced Server Access.

Advanced Server Access

A white icon of three server racks with a checkmark, representing Access Gateway.
