# MILESTONE SYSTEMS

Plataforma global líder en el mercado de seguridad

**+8,500 devices supported**

**+500,000 installations worldwide**

**Leading innovation with three yearly product updates**

**+850 employees globally**

**+11,000 resellers and integrators**

**Offices in 23 countries**

# MILESTONE MARKETPLACE

Our open platform makes it easy to build on XProtect's capabilities. Marketplace is a searchable showcase of the applications, hardware and services from our global community of technology partners.

## Explore

Explore proven applications, hardware and services that work with XProtect.

## Connect

Connect directly with technology partners to find documentation, proof of concept, and case stories.

## Deploy

Deploy your solution with confidence after reading reviews, seeing a demo and trying it out.
